

*Kelso High School*

*Celebration  
of  
Achievement Evening*

*Thursday 8 September 2005*

*Welcome to our Celebration of Achievement Evening. This is an important part of our Whole School Initiative on Recognising Effort and Achievement.*

*Our school policy states that the purpose of recognising Effort and Achievement is to :-*

- ❖ Generate and maintain a positive ethos in the school*
- ❖ Boost the self esteem of our pupils*
- ❖ Encourage staff and pupils to strive for the highest possible standards in all activities*
- ❖ Reward those who attain high standards*
- ❖ Recognise excellence*

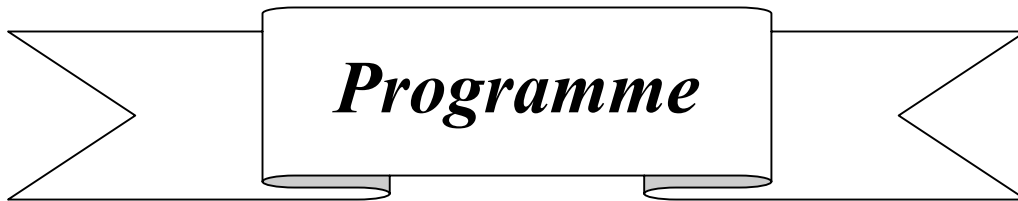

*There are 3 strands of recognising Effort and Achievement.*

- Kelso High School will recognise the Effort and Achievement of our pupils by a scheme of certification*
- Kelso High School will celebrate the Achievements of our pupils*
- Kelso High School will recognise the Achievements of all pupils who leave our school*

*Thank you for coming along to support us. The continued support from parents and friends of the school is greatly appreciated. I hope that tonight gives you the opportunity to join with us in celebrating the remarkable Achievements of our young people and the school over the last session.*

*I hope you find the evening enjoyable.*

***C Robertson***  
***Rector***
