

Kelso High School

*Celebration
of
Achievement Evening*

Thursday 6 September 2007

Welcome to our Celebration of Achievement Evening. This is an important part of our Whole School Initiative on Recognising Effort and Achievement.

Our school policy states that the purpose of recognising Effort and Achievement is to :-

- ❖ Generate and maintain a positive ethos in the school*
- ❖ Boost the self esteem of our pupils*
- ❖ Encourage staff and pupils to strive for the highest possible standards in all activities*
- ❖ Reward those who attain high standards*
- ❖ Recognise excellence*

There are 3 strands of recognising Effort and Achievement.

- Kelso High School will recognise the Effort and Achievement of our pupils by a scheme of certification*
- Kelso High School will celebrate the Achievements of our pupils*
- Kelso High School will recognise the Achievements of all pupils who leave our school*

Thank you for coming along to support us. The continued support from parents and friends of the school is greatly appreciated. I hope that tonight gives you the opportunity to join with us in celebrating the remarkable Achievements of our young people and the school over the last session.

I hope you find the evening enjoyable.
